You really lucked out on this one. I'm available on both September 26 and 27. Before you get carried away, please note that I am not available on September 28.

Subject: Understanding Smoking and Health Review - Richmond Projects

Hi all:

I am trying to schedule the Understanding Smoking and Health project review. Since the projects in this part of the plan are so numerous, I am breaking the review up over several half-days. We will cover all of the Richmond S&H projects together in one half-day.

To that end, please advise me of your availability on the following dates:

-September 26
-September 27

The review of the Richmond projects will require about 4 hours (app. 15 minutes per project). We should start at 8:00 am Richmond time and wrap-up around noon.

Please let me know your availability by next Tuesday (**August 21**).

Thanks,
Valerie
